

# EXCERPTS

## Monday Night at the Movies

Sponsored by the Friends of the Glencoe Public Library, all films in this series are screened at the Woman's Library Club, 325 Tudor Court.

### WINTER'S BONE

**Monday, December 20, at 1:00 & 7:00 p.m.**

100 minutes. Rated R.

Ree Dolly's father is missing. This is nothing new. But if he doesn't show up for a court date, the family will lose their home. Thus begins an odyssey for Ree. She scours the nearby Ozark countryside for her father, encountering resistance from wary locals and relations alike. Full of powerful performances and with an impressive eye and compassion for a little-known part of the United States, *Winter's Bone* is one of the best films of 2010.

### CAIRO TIME

**Monday, January 17, at 1:00 & 7:00 p.m.**

90 minutes. Rated PG.

Part languid romance, part Egyptian travelogue, *Cairo Time* is most of all a showcase for the wonderful Patricia Clarkson. She plays Juliette, arriving in Cairo for a rendezvous with her husband. When he's kept away on UN business, his former colleague, Tareq, agrees to show her the sights of the sprawling capital, both obvious and obscure. As the excursions continue, a romance subtly develops. "The melancholic, beautiful *Cairo Time* confirms two things that hardly need confirming: the Egyptian capital is a breathtaking metropolis, and Patricia Clarkson is one of the best actors in the world." — David Lewis, *San Francisco Chronicle*.

### GENIUS WITHIN: THE INNER LIFE OF GLENN GOULD

**Monday, February 21, at 1:00 & 7:00 p.m.**

109 minutes. Not rated.

Few figures in 20th century music were more famous and yet more enigmatic than pianist Glenn Gould. Filmmakers Michele Hozer and Peter Raymont's documentary humanizes his legend, weaving together an unprecedented array of unseen footage, private home recordings and diaries, as well as interviews with some of Gould's most intimate friends and lovers. *Genius Within* is "... a thoughtful, confident, completely engrossing documentary about a cultural figure every bit as iconic as Jim Morrison or James Dean." — Kenneth Turan, *Los Angeles Times*.

## Did You Know?

### GLENCOE LIBRARY TOPS NORTH SHORE LIST!

A survey of public library service by *Library Journal* has rated the Glencoe Public Library highest among its North Shore peers. The Library Journal Index of Public Library Service 2010 rated libraries on the basis of four per capita measures of patron activity: checkouts, visits, program attendance, and Internet computer use. Glencoe's library scored highest among North Shore libraries with annual operating budgets between \$1 and \$4 million.

"Our top ranking reflects the deep interest of Glencoe residents in excellent library service," said library board president Barbara Breakstone. "This community really values and uses its library. The survey rating will inspire us to continue to meet and exceed our patrons' needs."

### REBECCA ANDERSON

*Rebecca Anderson*

I was raised in Peoria, Illinois, with one sister and two brothers. I moved to the Chicago area about five years ago after finishing my undergraduate degree in psychology and master's degree in social work at the University of Illinois in Urbana. I have always enjoyed working with children and families, so social work seemed like an obvious career path. After working with families in two different social service programs in Chicago for a few years, I decided that I wanted to interact with children in a more positive and creative environment. I returned to school in early 2009 and completed my master's degree in library and information science at Dominican University this

August. The public library has been the perfect fit for combining my interests in reading, early literacy, and encouraging children to enjoy learning.

I recently began working in the children's department at the Glencoe Public Library and it has been exciting to meet so many interesting and intelligent children and parents from the community. The patrons and staff of Glencoe have made me feel very welcome. I also spend a few days each week helping patrons of all ages at a small branch of the Oak Park Public Library. In my free time I enjoy showing off Chicago to my parents when they visit, traveling to see my three-year-old niece, Abby, in Pennsylvania, cheering for the Illini, playing intramural sports with my husband, and, of course, reading. I'll be manning the second floor on Thursday evenings and weekends, so please stop by to meet me! 

## *Donations to the Library*

Contributions made to the library are not only a generous way to honor a friend or relative, they also purchase materials that will serve the entire community. The library is always appreciative of donations made in honor or in memory of a loved one, or to commemorate a special event. A gift bookplate may be placed inside the selected material to note the donation and an acknowledgment will be sent to the honoree(s) designated by the donor. Recent donors include:

Michele and Joel Shoolin in memory of Roy Sandler

Barry Wolk

Girl Scouts of Greater Chicago & Northwest Indiana,  
Cluster #62 donated activity books
